# WELCOME CAMP FAMILIES

Dear Black Bear Lake Parents,

Welcome to Black Bear Lake Day Camp!

We are very excited that you have chosen to have your camper(s) spend the summer with us at camp! For those of us who went to camp as kids, we know what a transformative experience camp can be. For those who are less familiar with camp, wait until you see what we can do. We appreciate the trust you've put in us. This parent Handbook will give you at least an outline for your camper's summer. We are in the human being business and, accordingly, we place the greatest emphasis on your child's growth during the summer socially, emotionally, athletically, artistically, and intellectually. We want to help create strong, independent, kind, well-adjusted leaders. We believe that Black Bear Lake is the perfect place to nurture these qualities.

And please remember that at Black Bear Lake, the little things mean a lot to us. Please do not hesitate to call or email us if you have any questions about camp. We are year-round camp professionals committed to customer service and want your time at Black Bear Lake to be as enjoyable as possible for the entire family. We are looking forward to a fantastic summer and we are thrilled that you and your camper(s) are part of the Black Bear Lake Family!

# POLICIES & PROCEDURES

At BBL, we consider the safety and security of our campers and staff our most important priority. Please let your camper know that there is nothing we, and the BBL staff, wouldn't do to keep our campers safe. We review all of our security and safety procedures each year and have updated them to reflect the needs of our campers.

- BBL has many security procedures in place, including a Greeter located at our Welcome Center during the camp day where
  all visitors are required to sign in and show proper identification. No unauthorized vehicles enter our campus during the
  camp day. All staff wear BBL T-Shirts. All visitors are always escorted by a staff member. Over 50 of our key staff carry
  walkie talkies to communicate with each other. BBL also has immediate access to the staff at the Millstone Firehouse,
  located adjacent to the camp. Please do not hesitate to call the main office to voice any concerns or suggestions.
- Every camper has a right to the best possible experience at Black Bear Lake. Incidents of fighting, verbal intimidation, and other negative offenses which reference sex, age, color, religion, national origin, or disability will not be permitted at any time.
- All staff and campers must be able to maintain an environment free from bullying and harassment. Bullying and harassment is a behavior that is not welcome, which is personally offensive, or debilitates the morale of the campers. A safe and friendly atmosphere is the responsibility of all campers and staff at Black Bear Lake.
- While participating at camp, the staff is in charge. Any rules and/or instructions that are made by a staff member are to be respected.
- All disciplinary issues will be brought to the attention of the Division Leader who will inform the camper's parents of what occurred and what action was taken. In the unlikely event that there is a disciplinary problem that cannot be resolved by the Division Leader, or if a camper has recurring issues, the Director will call the parents to discuss the matter. If it is deemed by the Director that the safety of campers may be at risk, a camper may be asked to leave the camp. If a camper is asked to leave the camp, a refund will be issued to the family in accordance with the refund policy of the camp.

•	Camper Age	Number of Staff	Campers
	5-years and younger	1	6
	6-8 years	1	8
	9-14 years	1	10
	15-18 years	1	12

# **REFUNDS**

Unforeseen changes to your family's work situation, vacation plans, and health may arise at any time, so we have the following policy - from the moment you register until June 1st, you may receive a FULL REFUND for any reason. There are no service charges, processing fees, and we do not keep any part of your deposit. After June 1st, \$250 Registration Fee per camper applies if enrollment is canceled. There is no camp on Friday, July 4th, and week 1 is not pro-rated. Any changes to a camper's sessions after June 5th, refunds will be processed at the close of the camp season in accordance with our Refund Policy.

Payments are refundable after camp begins if a camper does not attend for a full week of camp (beginning on a Monday ending on a Friday) and the camp is notified prior to 5:00 pm the Friday before the week the camper does not attend. All refunds are based on the difference between the tuition that was paid and the tuition that would have been paid had the camper enrolled for the lesser number of weeks. For example, if you child was initially enrolled for 8 weeks and you decide to cancel 1 week (with proper notice), you will be charged the 7-week tuition rate. There are no refunds or credits for missed days for any reason, for example - such as illness, vacations, transportation delays, bad weather, and other reasons. There are no refunds for campers who are dismissed or suspended from camp for violating the code of conduct or for any other reason at the camp's discretion.

# BULLYING / CODE OF CONDUCT

# **BULLYING**

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick or put down another person with the intent of hurting. Bullying happens when a person or group of people use their power to control or harm others. Bullying can also happen through cyberspace, emails, text messages, instant messaging, and other less direct methods. This type of bullying can also lead to people being hurt during or between the camp seasons and be especially hurtful when people are targeted with meanness and exclusion. Unfortunately, people who are bullied may not have the same potential to get the most out of their camp experience. Every person has the right to the best possible camp experience, and by working together as a team, we can help ensure that all campers and staff have a safe and successful summer at Black Bear Lake Day Camp.

It is our commitment to provide a rich and wonderful camping experience for all campers. Our actions and words provide either a good or bad example. Each young person participating in Black Bear Lake activities of any sort is expected to abide the following Code of Conduct. This includes campers, staff members and visitors. By participating in group activities, you represent Black Bear Lake, your parents and yourself. What you say and do has impact on others; it is our desire that your impact will be a positive one.

Any camper that breaks any of the following in-house rules MAY be sent home based on the seriousness of the offense.

- Keep a positive attitude
- Show respect for everyone with whom you come in contact, by your actions and your words. This includes campers in your group as well as those outside of it
- Respect the facility
- No obscene language or drugs. This includes tobacco, e-cigarettes (vaping and juuling) Cannabis and narcotics. Campers caught in possessions with or using, any of above mentioned, will be asked to leave camp
- Inappropriate behavior, such as bullying, teasing, harassment, swearing, acts of aggression, pranks, practical jokes to disrespect other campers, staff or the environment are not tolerated at Black Bear Lake. What may seem harmless to you, may have lasting emotional or physical consequences for others
- Stealing, borrowing or touching other camper's possessions without their consent will NOT be tolerated
- Vandalizing or damage to camp property and/or equipment is a serious offense and will not be tolerated. This includes any damage to bunks, windows, doors, bathrooms, dining hall, signs, activity buildings, program equipment and including the natural environment. You will be held responsible for the cost of repair or replacements
- Defacing camp property in any way is also considered a serious offense. Any graffiti including writing, drawing, carving or paintings names/picture etc. Any of these examples will not be tolerated. You will be held responsible for cleanup, repair or replacements

# **HEALTH & SAFETY**

At Black Bear Lake Day Camp, we take the health of our campers and staff very seriously. Our Wellness Center Staff includes three full time nurses. In addition, we have a Food Allergy Liaison to help care for your camper(s). We ask that you partner with us in keeping every camper healthy. Please do not send your camper(s) to camp if they are not well enough to participate in camp activities. All camper(s) must be fever free for 24 hours without the use of medication before they can return to camp.

We will contact you when:

- A camper becomes ill with a fever of 100.4 and/or vomiting.
- A camper has a significant bump, bruise, or cut.
- A camper has any head related injury.
- A camper visits the Wellness Center multiple times in one day.

If we cannot reach you, we will call the emergency contact.

# PRESCRIPTION MEDICATIONS

All medications to be taken or held at camp must be accompanied by a Medication Release Form and/or prescription from the doctor. The form must include your camper's name, name of the medication, dosage, time to be given, permission to administer, parent contact information, parent's signature, and the physician signature. You may give the medication to our Nurses at Meet & Greet before camp starts, to your camper's bus counselor on the first day of camp, or to a staff person at the Parent Drive drop offline if you drive your camper to camp.

# **NON-PRESCRIPTION MEDICATIONS**

Over the counter medication can only be administered if you and a doctor both signed our Medication Release Form. State Law mandates that any medication, over the counter or prescribed, epi-pens, inhalers, etc., will be administered by our camp Nurses ONLY if the proper documentation is on file.

# **ALLERGIES**

If your camper has an allergy that may require the use of an Epi-pen, it is imperative that you provide the camp with two Epi-pens. You can send them with your camper either at the Meet & Greet or on their first day of camp. Please note, an Epi-pen may only be administered to a camper if it is prescribed to them.

### CAMP FORMS

Monmouth County Health Department and the American Camp Association require that all campers submit their medical forms prior to the beginning of camp. These forms can be found in your Camp Minder Account. We MUST have all medical forms on file before the first day of camp in order for campers to attend camp. This form DOES NOT have to be completed by your physician, you can fill out the information yourself.

# **WELLNESS CENTER**

If you need to pick your camper up early from the Wellness Center, please drive to 457 Stagecoach Road (CAMPS MAIN ENTRANCE) and pull forward to the Welcome Center (Gazebo). You must check in with the GREETER to inform them you are picking up your camper(s) from the Wellness Center. The Greeter will radio the Nurse and instruct you to pull forward to the Wellness Center (White House). If you would like your camper(s) to be picked up at the camp by someone other than their parents, please inform the Main Office who it will be, and remind the person to bring an ID with them to sign out. Authorized pick-ups must be submitted through your camp minder account under the AUTHORIZED GROWN-UPS. All forms can be accessed by visiting our website www. blackbearlake.com, please click LOGIN in the upper right-hand corner. From your dashboard click on Forms & Documents.

# **BLACK BEAR LAKE LICE POLICY:**

Should our staff identify a camper who exhibits symptoms, he or she will be brought to the nurse with care and checked immediately. If lice is present, we will contact you right away and ask you to pick up your camper as quickly as possible so that you may begin proper treatment. At the same time, we will check fellow campers with whom they have had contact. To return to camp, campers who have had lice must be lice and nit free and be given clearance by their physician or a lice professional. It is our policy to have our nurse re-check your camper upon returning to camp. If a positive case of lice is found in your child's division, we will send a note home so that you are aware that your child may have been exposed.

### TICKS

Although the camp property is treated multiple times each year, ticks are part of our natural world. At Black Bear Lake, we take great care to maintain our grounds and we also spray to reduce the possibility of tick occurrence. As educated outdoors people we know that children and adults can be exposed to ticks anywhere in nature, whether it is a backyard or a remote hiking trail. It is our intention to raise awareness about how to prevent tick-related illnesses in general. The best way to prevent any illness caused by a tick is to perform a quick and easy body check during an evening bath or bedtime. Pay close attention to waistlines, groin, under arms, behind knees, ears and around the hair line. A tick bite in itself does not cause infection. In order to transmit a disease, a tick would need to be attached for at least 24 hours, which is why daily tick checks are so effective.

If your camper does lose something, we will make every effort to get it back to them. We will discard whatever remains in the lost and found every Friday after dismissal.

# RELEASE OF A CHILD FROM OUR WELCOME CENTER

Since the safety of your child is our utmost concern, Black Bear Lake Day Camp maintains a strict policy regarding the individuals to whom we release a child. We know there are occasions where someone other than you, the parent or guardian, may be picking up your child from camp. For these occasions, please complete the AUTHORIZED GROWN-UPS FORM found on the Forms & Documents section of your Camp Minder Account. Please make sure to complete this if, at any time, a grandparent, friend, babysitter; neighbor; etc. will be picking up your child from camp. Only people whose names appear on your AUTHORIZED GROWN-UPS FORM will be authorized to sign out a camper. Once this individual arrives at the camp, a staff member will need to verify the individual's identity by reviewing two forms of identification. The authorized individual must then sign and note the time of the child's release. If a non-custodial parent is not included among those persons authorized by the custodial parent to pick up the child, please inform the Camp Director or Office Staff. Should an unauthorized individual arrive to pick up a child, a parent or emergency contact person will be immediately notified via a phone call. Please have your camper ready and at the stop 10 minutes before the time on the label since times may vary on many factors.

# THE BLACK BEAR LAKE DIFFERENCE

# It's all about choice. Your choice! Total choice!

Black Bear Lake's program uniquely focuses on choice! Each week BBL camper(s) choose the activities they want to explore through in-depth participation alongside camper(s) with similar interests.

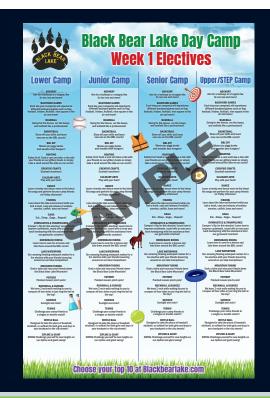

Our Choice Elective Program allows your child the choice of participating in activities that they like and choose themselves! Our innovative program consists of over 50 diverse and exciting activities, from soccer and tennis to arts and crafts and cooking. Only Black Bear Lake campers choose their own program, not just a single elective, designed themselves to discover new interests, learn new skills, improve their talents, and have fun doing it!

In a traditional camp setting, campers often participate in activities with just the kids in their group. By choosing activities based on their interests, campers quickly meet many other campers with whom they have something in common. When campers are in activities they are highly interested in, they make more friends and the activity is more fun and engaging for all. Staff are equally happy with the BBL choice program. They know each camper in their activity chose to be there! Therefore, with motivated and engaged campers they can achieve their teaching goals much more easily and quickly!

Our ELECTIVE PROGRAM is for Lower Camp (grades 1-2), Junior Camp (grades 3-4), Senior Camp (grades 5-6) and Upper Camp (grades 7-8) campers. Campers entering Nursery, Pre-K and Kindergarten, our Cubs, follow a traditional Camp schedule in preparation for our Elective Program when they enter Lower Camp. Our 9th and 10th grade STEP Program (Staff Training Enrichment Program) is something completely unique on its own.

# **SO HOW DOES IT WORK?**

- Campers receive a listing of the exciting activities to choose from.
- Families login to our online system to create a "Top 8" list of their preferred choices.
- Each week, we create customized schedules for each camper, based on their Elective Preferences.
- Each day, campers enjoy their weekly elective choices, as part of their daily schedule.
- Lower Camp and Junior Camp enjoy 4 periods of electives, Senior Camp and Upper Camp have 5 elective periods.
- Electives are 40 minutes per day, for five straight days.
- Each week, campers can update their Elective Preference List, allowing them to have a new schedule if they so choose.
- Campers can switch electives each Monday and Tuesday if they so prefer.

AT BLACK BEAR LAKE...IT'S ALL ABOUT CHOICE!

# Black Bear Lake Day Camp

# **SPECIAL EVENT CALENDAR 2025**

# **SWIM PROGRAM**

Black Bear Lake Day Camp takes great pride in its outstanding swim program. Within a supportive environment, campers of all abilities are challenged to improve. Campers are split into small teaching groups with campers their age who are working on the same skills. Instructors stay with the same group every day, and ratios are typically 1:4 or better for our early learners and slightly larger for campers as they advance. Every summer 90%+ of Black Bear Lake campers pass the deep-water test. Swimming is more than just an activity - it's a lifelong skill that builds confidence, independence, and safety awareness. The deep-water test is a proud milestone, giving campers access to deeper waters and reinforcing their sense of accomplishment.

A certified swim instructor OR our Pool Supervisor will conduct the swimming proficiency test in accordance with the Black Bear Lake Day Camp standards.

# The Deep-Water Test is as follows:

Part 1: Swimmers must jump into the pool and comfortably swim two widths of the pool (25 yards each way) in deep water, continuously, using the front crawl or breaststroke.

Part 2: Tread water for 30 seconds prior to touching the wall. This will be done without any assistance.

# Reasons for not passing:

- Underwater swimming
- •"Dog paddling"
- Resting in the middle of the test
- Not maintaining forward motion
- Not being able to tread water at the end of the test
- Being too physically exhausted at the completion of the test
- Unable to follow direction

**RETESTING POLICY:** Each camper can re-test on Fridays and/or on a separate day following their initial swim test.
